

# NEW YORK ENTERTAINMENT

## Schedule

Thru 4/27

## Profile

The gallery's inaugural exhibition is also the first NY solo show for Bittle, a professional diorama maker for the American Museum of Natural History. The show presents an oil painting series of gnarled jackrabbits in a desert landscape, alongside the diorama *Preserving Mass Extinction*, an imagined landscape of Marfa, Texas as it may have looked 250 million years ago.
